NAME _____ DATE _____ CLASS _____

Research challenge: The Harlem Renaissance produced extraordinary art, music, and writing — but it happened in a specific historical context of injustice. To understand why it matters, you need to understand both what the artists created and what they were responding to.

01

PART 1

Find the evidence

Use library books to find evidence for **both** sides of this picture:

WHAT THE HARLEM RENAISSANCE CREATED	WHAT IT WAS RESPONDING TO

Sources used: _____

02

PART 2

Primary vs. secondary source

Langston Hughes's poem "I, Too" is a **primary source**. A book about Hughes is a **secondary source**. Find one of each in the library today and record them:

Primary source: _____

Secondary source: _____

What can the primary source tell you that the secondary source cannot?

03

PART 3

Your argument

In 3 sentences: why does the Harlem Renaissance still matter today?
