NAME _____ DATE _____ CLASS _____

The Harlem Renaissance (1920s–1930s) was a cultural explosion in Harlem, New York — art, music, poetry, and writing that changed American culture. It happened because millions of Black Americans moved north during the **Great Migration** and found each other in the same neighborhood.

01 PART 1 Research task

Use library books to find information on two people from the Harlem Renaissance. Write one paragraph about each:

Person 1: _____ Source: _____

Person 2: _____ Source: _____

02 PART 2 Analyze one work
