Brain Detective

Grades 1–2

ADMIT ONE

NAME _____ DATE _____ CLASS _____

Your brain is really smart! It looks at things and makes **guesses** about what they are. Sometimes the guesses are right. Sometimes they're wrong. That's okay!

Big Idea: My brain tries to help me by guessing. But I should check before I decide!

01 PART 1

I Can Read Scrambled Words!

Look at this sentence:

"I cna raed tihs!"

Could you read it? Your brain *predicted* what the words should be!

02 PART 2

Check Before You Decide

Circle the good ways to check:

LOOK CLOSER | ASK SOMEONE | THINK ABOUT IT MORE

03 PART 3

Draw It!

Draw a time when you should check before deciding:

DRAW YOUR PICTURE HERE

PART 4

04 When Should I Check?

Here are times when I should be a Brain Detective:

- [ ] When I think someone took my things
- [ ] When I think someone is being mean
- [ ] When I think I lost something
- [ ] When I'm not sure what I see

PART 5

05 Draw Another Time!

Draw another time when you can be a Brain Detective:

MINI MUSEUM CONNECTION

Mini Museum Fun! People loved eye tricks over 100 years ago too! At the Mini Museum, you can see old cards that change when you move them!
